We had discussions about the mistake and misbehave he has made, he is so regretful of what he has had done, and also the knowledgess of this specific type of things. He has now learned it in the hard way, and willing to face his mistake he has been made. So, he can teach his two young children what should and should not do in life. Hon. Brian M. Cogan
United States District Judge
225 Cadman Plaza East
Brooklyn, New York 11201

Dear Judge Cogan,

My name is Huijuan Ye. I'm Yunlei Huang's sister-in law. I understand that he will be sentencing before you in April. I'm writing this letter to considerate he is a good man.

I know him since 2011. Before I married to his brother, every time I went to his family, he always called me sister-in law, very polite. At that time, I felt very warm. I knew he admitted I was part of their family. Technically I watched him "grow up" i.e. I knew know almost 10 years.

Now he got married and has two lovely children. He's still very nice to me. He's a very responsible and lovely daddy. As I know, basically he's looking after his older daughter since she born. For example, he would change her diaper, taking shower for her and sleep with her at night. I always see he took the kids to the park. He is very kind uncle as well. In the summer, when he buys ice cream for his kids, he always buys extra for my kids. My kids like to go to his house. He teaches his kids very well. He lives upstairs. I never heard their kids make noise on the floor, always very quiet.

At the last, I want to say he is a good man and a very good father. He loves his family very much. I hope you can take this letter into consideration at the time of sentencing.

Thanks for taking time to read my letter.

Sincerely,

Your Honor,

This is Weizou Ye, a very good friend of Yunlei Huang since 8 years ago. Because our home is close, we meet each other every often. So I know what kind of person he is. He has always been a responsible man who treats friends and family very well. He helped many friends including me over years.

We have discussed what he has done before, and he totally understood this wrong behavior. He regrets the mistakes he made due to lack of legal knowledge. Because he has two lovely kids and wife at home and needs him to take care. Plead for a lighter sentence and a chance to mend his life.
